

With The Master In View of His Return
Lesson 1 - Introduction and 1 Thessalonians 1:1

1. What facts do you already know about 1 Thessalonians?

2. Acts 17 records for us the founding of the church at Thessalonica. Read Acts 17 making note of any facts you find regarding Thessalonica and Paul's experiences while there.

3. Read all of 1 Thessalonians and answer the following questions: (a) Based on what you have just read, what do you think is the theme of the Epistle? (b) What is interesting about the end of each chapter?

4. Memorize 5:16 (who says you can't memorize Scripture?)

5. If you were to write a letter to your church, what would your introduction say?

6. What do you hope to gain from this study? Please write it in the form of a prayer request to the Lord.
